

REQUEST FOR COUNCIL ACTION

SUBJECT: Solid Waste Services – Neighborhood Dumpster Program

SUMMARY: Staff is requesting direction, whether or not to proceed with communication and coordination with ACE Disposal, Inc. to make additional dumpsters available for the Residential Neighborhood Dumpster Program.

FISCAL

IMPACT: The fiscal impact will be dependent on the additional service provided. The additional expense could be charged to the Solid Waste fund.

STAFF RECOMMENDATION:

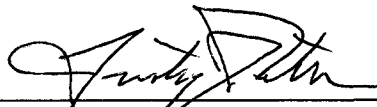

Staff recommends further communication and coordination with ACE Disposal, Inc. to provide additional dumpsters for the Residential Neighborhood Dumpster Program.

MOTION RECOMMENDED:

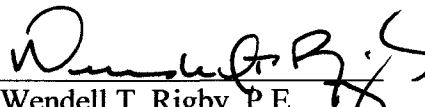

"I move to direct staff to conduct further research and implementation options to add additional dumpsters to the Residential Neighborhood Dumpster Program.

Roll Call vote required

Bryce Haderlie
Interim City Manager

BACKGROUND DISCUSSION:

The current Neighborhood Dumpster Program has been in place since 2003. Since 2003, the population of West Jordan has increased approximately 25%.

Currently there are eight dumpsters available daily between Monday and Saturday. Eight dumpsters are delivered every other day; they are then available for use for one day and picked up the following day for a total of 16 dumpsters available for the Neighborhood Dumpster Program at any one time. During the peak season the dumpsters are often “booked” two to three months in advance.

Staff is requesting direction from Council, whether or not to add dumpsters to the Neighborhood Dumpster Program.
